Property Description

Residential floor with 2 bedrooms, 2 large bathrooms, dining and living room, kitchen, and a generous south-facing balcony with a very beautiful sea view.
It has a generously sized attic where more rooms can be built for accommodation.
The land is 158sqm, allowing for the creation of a garden and vehicle parking.
This property has great potential after renovation.
It is located in a residential area in the historic village of Paço de Arcos, with schools, a hospital, restaurants, shops, and services nearby.
It is located less than 5 minutes from the train station, which connects to Lisbon and Cascais, and just a 10-minute walk from the beach, the Poets Park and Oeiras Parque shopping center.
The Oeiras area is increasingly sought after due to its proximity to Lisbon, with excellent access via the A5 or Avenida Marginal.
