## Property Description

This property, built in 2023, on a 1404m2 plot, with a living area of 300m2, is located in a privileged, quiet area with unobstructed views over a large green area with no construction. The house stands out for its modern and functional design, where every detail has been thought out to provide maximum comfort and quality of life. It features 4 bedrooms, one of which is a spacious suite with excellent finishes, an open-plan living room and kitchen with plenty of natural light and direct access to the outside, an independent laundry room, and outside, a generous garden with a saltwater pool, a barbecue area ideal for leisure moments. The closed garage in the basement of the house provides parking space for 4 cars. Automatic gates for total convenience and security. This property is the perfect balance between modernity, privacy, and nature, an ideal retreat for those looking to live in style and tranquility.
