Property Description

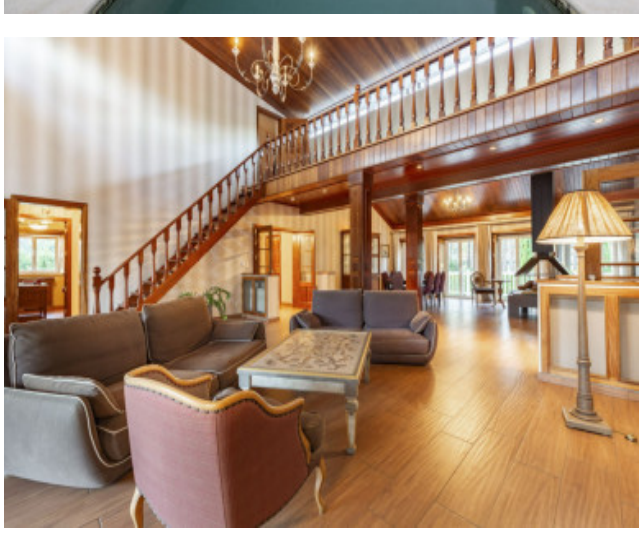

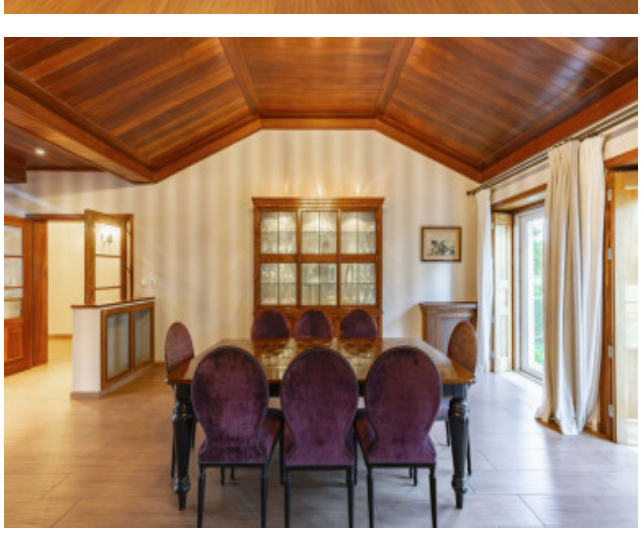

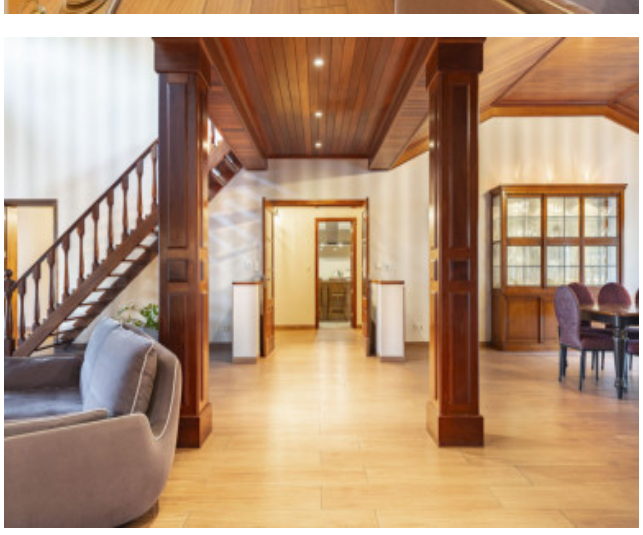

A ltimeless home that carries warmth and calm. Recently renovated with respect for classic architecture, it offers balanced proportions, quality materials, and a sense of quiet elegance.

634 m² of well-designed living: generous social areas, private bedrooms, and a dedicated office, all arranged around a secluded garden. Comfort and efficiency come from smart technical features: Energy Certificate A, underfloor heating, solar panels, and a private water well. Designed for comfort with remarkably low running costs.

A home of lasting value, ideal for families or anyone seeking privacy close to the coast, golf courses, and international schools. Perfect for a full relocation or as a long-term family retreat.

Within a secure condominium offering 24-hour surveillance, golf courses, tennis courts, cycling paths, restaurants, and local shops, this villa represents exclusivity and quality of life — a true luxury retreat by the sea.
