Property Description

Nestled in the stunning parish of São Vicente, this new condominium offers a unique opportunity to embrace authentic Lisbon life. Perched on a picturesque hill, many of its highest points boast stunning, panoramic views that capture the city's charm.

This project features 21 meticulously designed apartments, ranging from elegant studios to spacious one, two, and three-bedroom residences, catering to diverse lifestyles. A significant advantage in this vibrant city, each apartment includes a private parking space, providing convenience and peace of mind.

Though located in the heart of Lisbon's hustle and bustle, São Vicente offers a surprisingly tranquil lifestyle. Stroll through its historic streets and discover traditional cafés, quaint shops, and small boutiques that preserve their century-old charm. This unique blend of heritage and contemporary allure has driven a growing demand for properties in this family-friendly, yet increasingly "hipster" neighborhood. Feel the multicultural vibe that enriches its streets, making it a truly special place to call home.
