Property Description

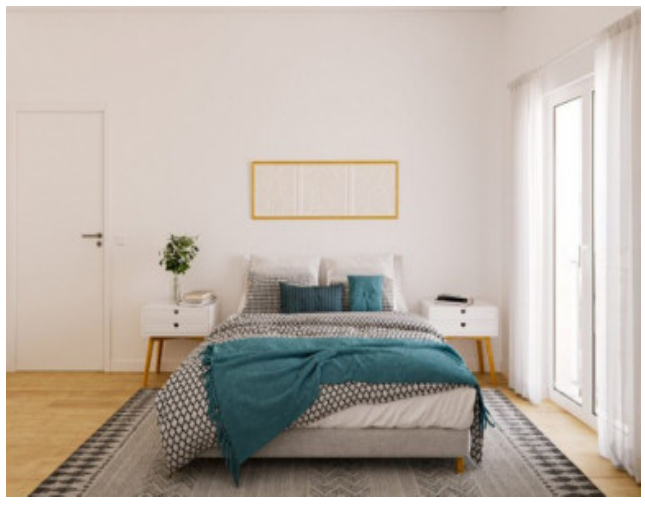

Situated in the stunning parish of São Vicente, this new condominium offers a unique opportunity to embrace authentic Lisbon life. Located on a picturesque hill, many of its highest points boast breathtaking panoramic views that capture the city's charm.

This project features 21 meticulously designed apartments, ranging from stylish studios to spacious one, two, and three-bedroom residences, catering to diverse lifestyles. A significant advantage in this vibrant city, each apartment includes a private parking space, providing convenience and tranquility.

Although in the heart of Lisbon's hustle and bustle, São Vicente offers a surprisingly peaceful lifestyle. Stroll through its historic streets and discover traditional cafes, quaint shops, and small boutiques that preserve their centuries-old charm. This unique blend of heritage and contemporary allure has driven increasing demand for properties in this family-friendly yet increasingly "hipster" neighborhood. Feel the multicultural vibe that enriches its streets, making it a truly special place to call home.
