Property Description

Great opportunity in Investment in Commercial Property with Hairdressing, Manicure, Pedicure, Beauty, Massage, Waxing and Sale of products Business, balanced and organized in 139sqm, in operation in the same place since the 60´s and consequently holds a wide and loyal clients.

In 2013, a total renovation of the property and the business was carried out, including deep works, thus modernizing the business both in structure and in equipments and decoration of very good taste, quality and care.

The basement was fully equipped with cabinets and support structures for the execution of all activities except hairdressing, which runs on the ground floor. This renovation is very well preserved, so activities can be smoothly and automatically continued, without need for interventions.

The price included the sale of the property and the transfer.
