Property Description

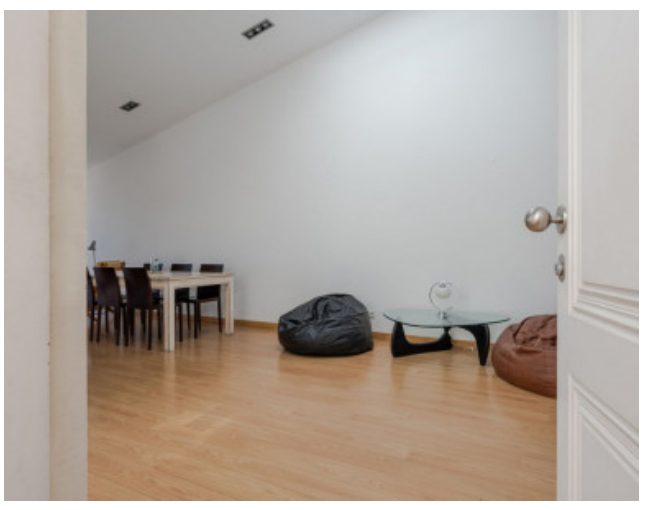

Your house in a square dedicated to one of the greatest Portuguese plastic artists of the 19th century is a privilege. Apartment thought to detail, so that you feel as inspired from the inside as you feel on the outside. This Square is famous for being one of the liveliest places in the city, transcending trends and seasons.
The decoration and furniture were carefully chosen for a clean environment, with high ceilings and a very spacious and comfortable layout, this is a unique space. It is, above all, very bright and you can enjoy a panoramic view of our beloved Lisbon.
2002 building with elevator, whose architecture combines the historical and contemporary tradition of being in a noble house of the 21st century.

The house has Central Heating inside the walls, 2 Velux with electric shutters and blinds, electric shutters, the kitchen is equipped with Siemens appliances. Video intercom system, FICHET high security door.

Come be part of Lisbon's history, book your visit!
