## Property Description

2-Bedroom Apartment with 159 sqm of gross private area and two parking spaces, located in the 266 Liberdade condominium, the iconic former Diário de Notícias building, in Lisbon.

The apartment comprises a 35 sqm open-plan living room with a fully equipped kitchen featuring SMEG appliances, a fully equipped laundry room, one bathroom, and two en-suite bedrooms.

The master suite measures 26 sqm and the second suite 18 sqm.

It includes air conditioning, electric blinds, and a home automation system.

Possibility of being sold furnished, at an additional cost.

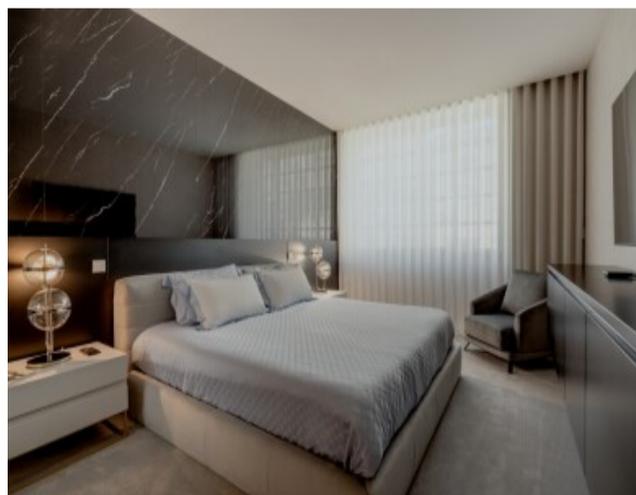

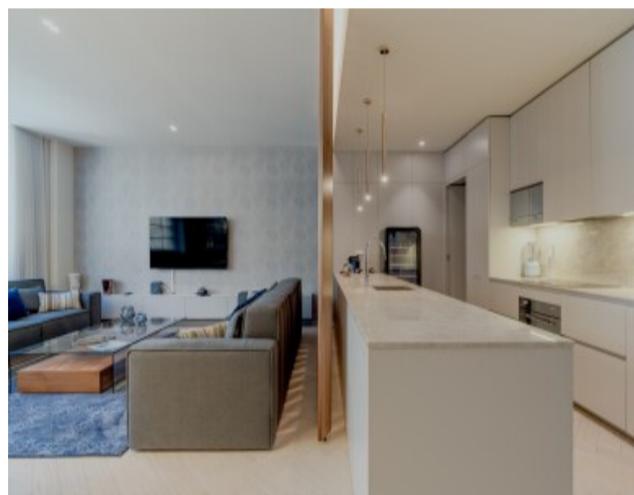

Built in 1940, the modernist building, designed by Pardal Monteiro and decorated with frescoes by Almada Negreiros, was the first to be built from scratch for a media institution.

The rehabilitation project preserves the original façade and various decorative elements and materials of the period.

Located on Avenida da Liberdade, one of the city's main avenues, lined with shops, hotels, theatres, and historic buildings, it offers easy access to the city's main road networks, such as the A1 (Airport, North and Porto), the A2 (South, Bridge and Algarve) and the A5 (Estoril/Cascais/Sintra).

It is 2 minutes walking distance from Marquês de Pombal metro station and 20 minutes driving distance from Humberto Delgado Lisbon Airport.
