Property Description

Horizon Ocean Gardens is a newly completed, modern beachfront condominium located in one of the most desirable areas of the Algarve, Praia do Forte Novo in Quarteira. The development has been designed with a focus on contemporary architecture and a natural connection to its surroundings, creating a calm and elegant atmosphere just steps from the ocean.

The condominium offers landscaped gardens inspired by the coastal environment, a beautifully designed outdoor swimming pool with an infinity effect, and several leisure areas, including shaded cabanas and relaxation spaces. It is an intimate and private development, ideal for those looking for comfort, quality, and a refined lifestyle by the sea.

This brand new 1-bedroom apartment has never been used and features a modern, well-designed layout with high-quality finishes throughout. The living area is bright and open, connected to a fully equipped kitchen and leading directly onto a private terrace through large sliding glass doors that bring in plenty of natural light.

The apartment consists of a spacious living room, a comfortable bedroom with built-in wardrobes, a contemporary bathroom, and a private terrace. Although located on the ground floor, the property benefits from a very pleasant outlook over the pool and landscaped gardens, as well as a lateral view of the sea, which makes it feel open and connected to the surroundings.

The property also includes a private parking space and storage.

Location

The apartment is located in Praia do Forte Novo, one of the most attractive and peaceful areas of Quarteira. The beach and promenade are just a short walk away, along with a wide selection of restaurants, cafés, shops, and all essential amenities.

Vilamoura Marina is only 10 minutes away, offering a vibrant lifestyle with restaurants, bars, and golf courses. Faro Airport can be reached in approximately 25 minutes. Supermarkets and the village of Boliqueime are also nearby, making this a very convenient yet quiet location.

Easy access to golf courses and the Golden Triangle (Vale do Lobo & Quinta do Lago) and Vilamoura.

This is an ideal property for both personal use and investment, combining a prime seaside setting with excellent accessibility.

The location is particularly attractive for rental purposes, as properties this close to the beach are always in high demand. The combination of a brand new condominium, walking distance to the sea, and proximity to shops, restaurants, and services makes this apartment very easy to rent, whether for short-term holiday lets or longer stays.

For buyers looking for a property that can also generate income, this is a strong opportunity in one of the most sought-after areas of the Algarve.
