Property Description

5-bedroom house with 516 sqm of gross construction area, a garden of about 100 sqm, river views, and a garage, located in Lapa, one of the most prestigious neighborhoods in Lisbon.

The property is distributed over four floors, all served by a private elevator.

The layout was designed to ensure functionality and smooth circulation between the different areas.

On the entrance floor, there is a kitchen with direct access to the private garden of approximately 100 sqm, creating a connection between indoors and outdoors.

This floor also includes a dining room with garden access, entrance hall, and a guest bathroom.

The upper floor is dedicated to the social area, composed of two living rooms with different layouts.

One of them provides access to a terrace with views over the river.

The private area comprises five suites, all with good sun exposure.

On the top floor is the master suite, equipped with a walk-in closet and a balcony overlooking the river.

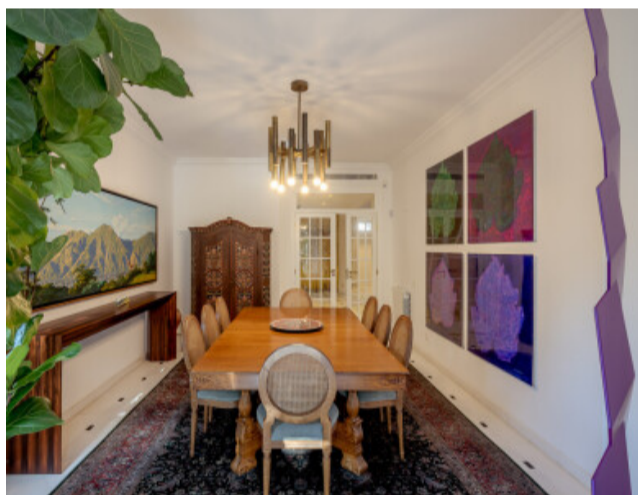

This level also offers an additional space that can function as an office and a support bathroom.

The lower floor includes a garage with capacity for three cars, a laundry room, storage areas, service area and gym.

The house has central heating, air conditioning, and a fireplace.

Located in Lapa, close to green spaces, traditional shops, and renowned restaurants.
