## Property Description

Discover this luxurious villa set in a prime location in Vilamoura, where thoughtful design meets timeless sophistication. The concept behind this exceptional property was to preserve the existing construction as much as possible while clearly distinguishing between the “old” and the “new”, resulting in a contemporary architectural language perfectly suited to today’s lifestyle.

Bathed in natural light, the villa offers generous interiors, spacious and bright rooms, and high-quality finishes throughout. Upon entering, you are welcomed into an elegant open-plan living and dining area, seamlessly connected to a fully equipped kitchen. Large glass openings frame views over the beautifully landscaped garden and swimming pool, creating a fluid connection between indoor and outdoor living spaces. The ground floor also features two comfortable en-suite bedrooms and a guest toilet.

The harmonious layout enhances a sense of tranquillity and openness, with constant visual links to the garden and pool, reinforcing the connection with nature.

On the first floor, three large en-suite bedrooms open onto expansive terraces overlooking the surrounding greenery, the generous garden, and the swimming pool – ideal for relaxation and privacy.

A carport accommodating two vehicles adds everyday convenience, while the property’s energy efficiency rating of A ensures modern comfort with sustainability in mind.

This villa captures the essence of refined Algarve living and is ready to welcome its new owners.
