Property Description

The two-bedroom apartments stand out for their generous interiors, with areas starting at 103 m², and expansive balconies of almost 26 m² — perfect for dining or simply enjoying the beautiful sea views. Selected units also feature a private terrace, offering unique outdoor spaces for relaxing in complete privacy.

The interior features a modern open-plan design that effortlessly blends the living room and kitchen, fostering a spacious, light-filled, and elegant environment.

The kitchens come fully equipped with high-end Siemens appliances, highlighted by an advanced induction hob featuring an integrated extractor for seamless, efficient ventilation. Premium finishes include sophisticated GROHE taps, adding both style and functionality.

For year-round comfort and energy efficiency, the residences include ducted air conditioning, integrated LED lighting throughout, thermally broken double-glazed windows (which incorporate an insulating barrier in the frame to minimize heat transfer), and superior acoustic insulation to reduce external noise.

Residents can enjoy a private swimming pool with sun exposure, while each apartment includes two garage parking spaces.

The location is just 200 m from the beach and the Quarteira promenade, close to Vilamoura Marina, a wide selection of restaurants, cafés and shops, and only 20 km from Faro Airport.
