Property Description

A fifth-floor two-bedroom apartment within Bayline, one of the Algarve's most recent beachfront developments, delivered in 2023. The property offers lateral sea views, clean contemporary lines, and full-height glazing that draws natural light across the living space.

The layout is efficient and balanced, with an open-plan kitchen and reception area extending onto a private terrace. Both bedrooms are proportioned for year-round use, with integrated storage and a calm, neutral finish.

Bayline is set on the seafront in Armação de Pêra, with direct access to the beach. Designed around wellbeing and a distinct lifestyle proposition, it is a private condominium spanning over two hectares of landscaped gardens, with indoor and outdoor pools, a spa, a gym, a concierge reception, and private parking.

Residents benefit from a fully serviced environment in a prime coastal position, supporting both private use and consistent rental demand.
