## Property Description

In the heart of Vilamoura, this elegant newly built three-bedroom villa offers a sophisticated lifestyle in one of the Algarve's most prestigious and desirable settings.

Defined by clean contemporary architecture, premium finishes and an abundance of natural light, the property has been thoughtfully designed to create a seamless connection between interior and exterior living spaces. Every element reflects modern comfort, understated luxury and practical everyday living.

The principal living area is spacious, bright and effortlessly flowing, opening directly onto a beautifully landscaped private garden. Here, a swimming pool, sun terraces and an outdoor dining area with barbecue create an exceptional setting for year-round enjoyment of the Algarve climate, whether for relaxed family living or refined entertaining.

The three bedrooms have been designed to provide privacy, comfort and calm, each finished with a contemporary aesthetic and careful attention to detail.

The lower ground floor offers a substantial garage with space for four vehicles, together with versatile additional areas that can be tailored to suit the future owner's lifestyle requirements, including a private gym, cinema room, wine cellar, office or extensive storage.

Brand new and ready for immediate occupation, this villa presents a rare turnkey opportunity to acquire a modern residence in prime Vilamoura, just minutes from the marina, championship golf courses, international amenities and some of the Algarve's finest beaches.

A residence that combines style, convenience and enduring location value in equal measure.
