Property Description

2-bedroom apartment with 96 m² of gross private area, including parking space and storage room, located in the prestigious Villa Infante condominium, in Estrela, Lisbon.

The apartment features two bedrooms, one of which is en-suite, three bathrooms, a spacious living room, and a fully equipped kitchen, offering a functional and comfortable layout ideal for contemporary urban living.

It also includes air conditioning in all rooms, double-glazed windows, and interior wooden shutters.

Villa Infante is a private condominium distinguished by the balance between community living and privacy preservation.

With neoclassical inspiration, the project, designed by Architect Frederico Valsassina, results from a harmonious combination of rehabilitating the existing structure and constructing new residential buildings.

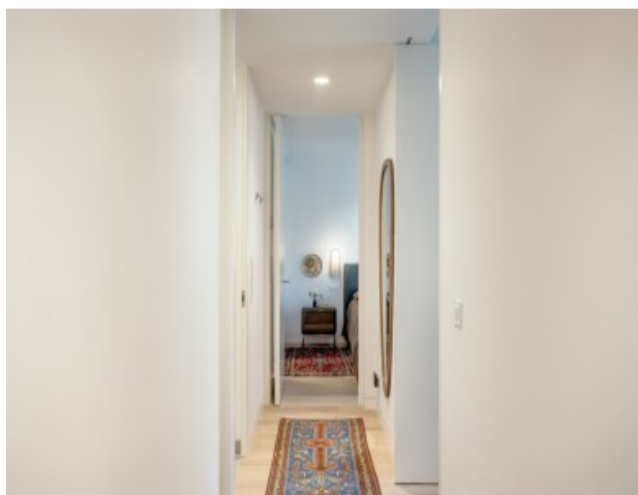

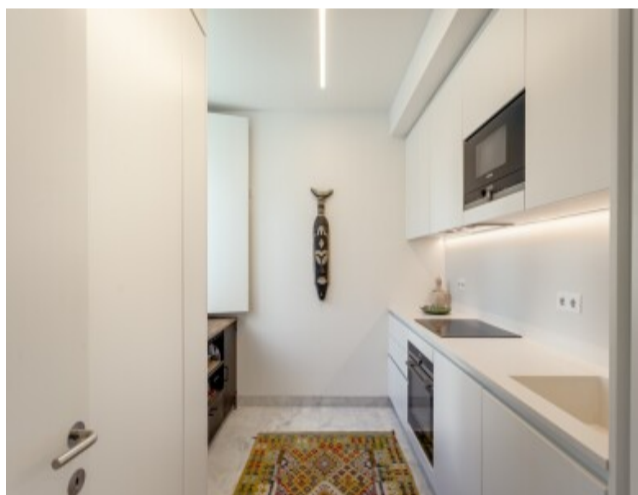

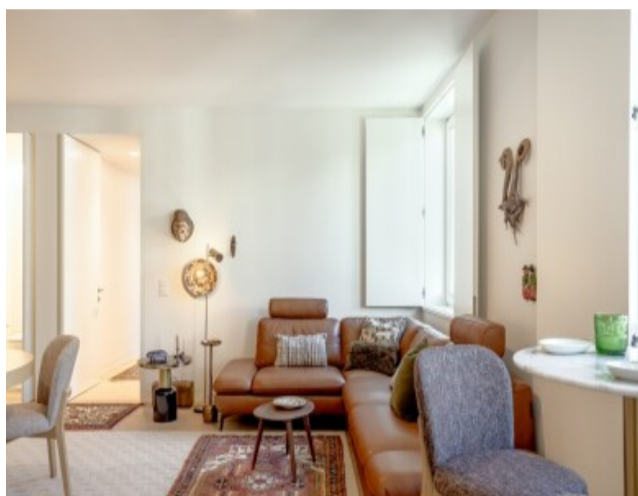

The imposing façade frames an interior courtyard with typical Portuguese inspiration, creating a welcoming and private atmosphere.

Meticulously designed, the condominium includes apartments ranging from 1 to 4-bedroom duplexes, with balconies, terraces, and gardens, all with included parking.

Prime location, just a few minutes' walk from the Tagus River, 5 minutes from Tapada and Necessidades Palace, and 10 minutes from the Alcântara riverfront, CUF Tejo Hospital, the National Museum of Ancient Art, and the future Infante Santo metro station.

It is also 15 minutes from Salesianos de Lisboa and, by car, approximately 10 minutes from Egas Moniz Hospital, Redbridge International School, Estrela Basilica, and Estrela Garden, as well as 20 minutes from Humberto Delgado Airport.
