Property Description

Positioned on the first line of the Vale do Lobo seafront, this contemporary three-bedroom villa offers uninterrupted ocean views from one of the Algarve's most desirable coastal settings.

Fully furnished and finished to a high standard, the property combines refined interior design with practical outdoor living spaces. Its elevated seafront position gives the villa a rare sense of privacy and permanence, with open views across the Atlantic and direct access to the lifestyle, restaurants, beach and golf facilities for which Vale do Lobo is known.

The main floor includes a bespoke kitchen fitted with Gaggenau appliances, natural stone flooring and direct access to an intimate outdoor dining area with a folding awning for shade. The living room is bright and well-proportioned, with sea views that frame the space throughout the day. An additional office area enjoys an exceptional outlook over the ocean, creating a calm and inspiring place to work or read.

The lower floor accommodates three en-suite bedrooms, all with built-in wardrobes and direct access to the terrace. This level has been designed for comfort and privacy, with each suite opening naturally to the exterior.

The rooftop terrace is a standout feature of the property, offering panoramic ocean views and a fully equipped outdoor kitchen in ocean-grade stainless steel, complete with refrigerated drawers, dishwasher and gas barbecue. It is an exceptional space for entertaining, dining or simply enjoying the Atlantic outlook.

Additional features include air conditioning, underfloor heating, natural stone floors, pre-installation for solar panels, high-quality furnishings and décor, and private parking within the property for two to three cars. The property also benefits from access to the communal swimming pool.

A rare frontline villa in Vale do Lobo, offering contemporary design, uninterrupted sea views and a highly privileged position within one of Portugal's most prestigious resorts.
