Property Description

This beautifully renovated four-bedroom villa in Vale do Lobo occupies a generous plot with exceptional views across the Atlantic and the Royal Golf Course.

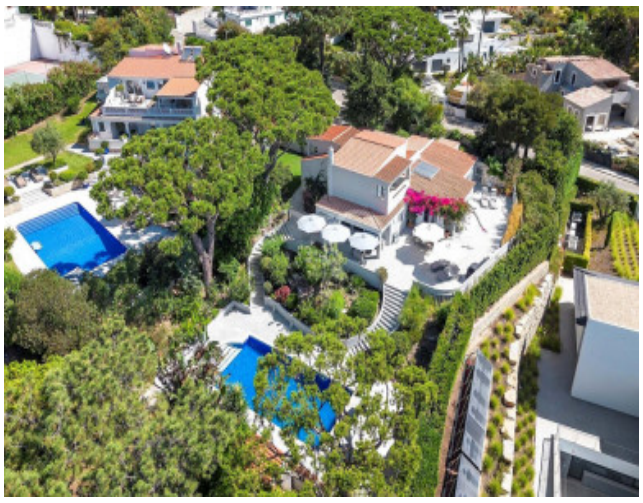

Southwest-facing and framed by mature pine trees, the property combines privacy, natural light and classic Portuguese character, all within a short walk of the beach. Its traditional charm has been carefully preserved, while the interiors have been updated to create a refined and comfortable Algarve home.

The villa is designed around outdoor living. A two-tier terrace captures the sea and golf views, with dedicated areas for alfresco dining, barbecues, sunbathing and entertaining. The lower terrace features a large heated swimming pool and a relaxed lounge area, creating an ideal setting for family life, holidays and hosting guests.

Inside, the ground floor offers a bright open-plan layout, connecting the kitchen, dining and living areas in a natural flow. Three bedrooms are positioned on this level, while the spacious master suite occupies the first floor and benefits from a private terrace with outstanding panoramic views.

Set in one of the Algarve’s most prestigious resort locations, this villa offers a rare combination of sea views, golf frontage, privacy and proximity to the beach.
