Property Description

Land with an area of 1400 sq m, view of golf and mountains, located in Estoril.

This land, inserted in urban soil, has a licensing process that is underway for a project that includes the construction of two semi-detached houses, and can be changed for the construction of a single villa.
It is situated in a prime area of Estoril and is still classified as rustic land.

It is close to estoril golf club, the beach, train station, commerce and services, being sold with approved architectural project.

Features:

- Land with 1400 sq m
- Ongoing licensing process for construction of two villas
