Property Description

This is the clearest view for your future... The perfect setting that combines city, nature, comfort and modern luxury.

Golden View - Metropolitan Development

It represents a line of ventures that invoke prestige and exclusivity, aligning perfectly with the surrounding nature.
Golden view - Metropolitan conveys a message of contemporary luxury for people looking for a differentiated life experience.
Quiet getaways in the heart of the city, where residents can escape the hustle and bustle of urban life and enjoy a much more positive lifestyle.

Urban Design Apartments

We present the Urban Design Apartments concept, inspired by a contemporary way of looking at life.
More than your new home, they present themselves as a contemporary residential concept that combines sophistication and tranquility.
If you are looking for modern luxury and a tranquil lifestyle, Golden View - Metropolitan - Urban Design Apartments is your gateway to a truly distinctive and desirable living experience

Golden View - Metropolitan - Location

Matosinhos is the perfect combination between sea and city.
It is synonymous with a unique quality of life and a gastronomy of excellence right on the doorstep.
Golden View - Metropolitan also means investing in an economically vibrant area with good accessibility and excellent mobility

Living in matosinhos

Strategically located by the sea and close to the city of the port, which allows you to enjoy the amenities of a big city and the beauty of the coast.
In addition, it is well connected to other cities and regions, very close to the airport, facilitating travel and displacement.
The city offers a unique quality of life.
With a quiet and safe environment, and excellent infrastructure, the presence of green spaces and beaches contributes to a healthy and balanced life.

Matosinhos is famous for its gastronomy of fresh seafood.

The restaurants specializing in fish and seafood are a must-see attraction for food lovers.

The city has a diverse cultural offer, with events, festivals and exhibitions throughout the year.

The city offers a unique combination of stunning beaches, green spaces, gastronomy, culture and architecture, providing an enriching experience for residents and visitors alike.
Matosinhos has a diversified and prosperous economy.
The presence of industry, companies and the port of leixões boost the creation of jobs and business opportunities in the region.

In addition, the proximity to the port city allows access to a wider labor market

Golden View - Metropolitan inaugurates the Urban Design Apartments concept.
An imposing building that presents a reference architecture of the architect Fróis do Amaral, with modern and elegant design elements, such as floor-to-ceiling windows, natural materials, home automation and premium finishes, which

privilege the comfort and well-being of the whole family.

The development consists of 5 shops and 42 apartments with typologies that can go from T0 to T3, common panoramic terrace and other outdoor areas.

The past gives way to a new future

An enterprise that transports to the future the history of one of the main arteries of Matosinhos, starting from a classic building, a typical canning factory.

It also has a huge communal terrace, where the magnificent view of the Atlantic can be enjoyed by all the residents of the condominium, promoting relaxation and well-being.
