Property Description

Casas Garcia de Orta is an exclusive residential proposal located in one of the most prestigious areas of Porto.

This project includes only 6 fractions (T2 and T3), all with generous areas, top finishes, private parking and an unbeatable location, close to beaches, reference schools, shops and green areas such as the City Park.

Designed by the renowned architecture studio Manuel Correia Fernandes & Associados, the building stands out for its contemporary and functional architecture. Each unit has been carefully designed to provide comfort and privacy, reflecting a modern vision of living.

With a privileged location next to Parque da Cidade and Avenida da Boavista, this project offers a perfect balance between tranquillity and urban accessibility. The proximity to renowned schools, universities, and easy access to public transport make this place ideal for people who value convenience and quality of life.

Casas Garcia de Orta offer a unique residential experience, where the serenity of a quiet neighbourhood is combined with the proximity to the sea and the green areas of Parque da Cidade. This environment provides a balanced lifestyle, ideal for those looking for well-being and comfort in one of the most privileged areas of the city.

Completion of the work scheduled for the summer of 2026.
