Property Description

Set on an expansive 27,045 m² plot with landscaped gardens and complete privacy, this magnificent four-bedroom villa offers a rare combination of scale, elegance and sea views in Lagos.

Designed in a classic manor style, the property provides approximately 594 m² of living space and has been finished with impressive attention to detail. Natural stone finishes, Moorish-inspired architectural features and refined craftsmanship give the villa a distinctive character, while modern comforts ensure it functions beautifully as a full-time residence, holiday home or private retreat.

The main house offers generous living areas, four bedrooms and five bathrooms, with a layout designed for comfort, privacy and entertaining. A separate guest wing with two bedrooms, together with a fully independent guest house, provides excellent accommodation for family and visitors.

Outside, the mature landscaped gardens surround a large heated swimming pool, creating a peaceful and secluded setting for outdoor living. The property is fully fenced and south-facing, benefiting from excellent sun exposure and beautiful sea views.

Additional features include a private gym, sauna, Turkish bath, double garage, borehole, solar panels, underfloor heating and air conditioning, ensuring comfort, practicality and efficiency throughout the year.

Located only minutes from Lagos town centre, close to Boavista Golf Course and just five minutes from Porto de Mós beach, this is an exceptional opportunity to acquire a substantial luxury villa in one of the western Algarve's most desirable coastal locations.
