## Property Description

3 Bedroom apartment, new, with 153 sqm (gross floor area), 2 parking spaces and balcony, in the Jaba condominium, in Jardim Barreiro.

All the apartments benefit from areas with plenty of natural light.

At the Jaba, you will find 3,000 sqm of gardens and a communal rooftop with a swimming pool, gym, and an outdoor running track.

All apartments have large balconies, air conditioning and parking space with electric vehicle charging points, in a project signed by MUTO atelier.

Located in Barreiro, which is growing exponentially, Jaba is born to promote this new phase of the city, with all the amenities such as services, restaurants and local shops just a few minutes away, and 15 minutes from a promenade by the river with an enviable view over the capital.

The proximity of the river terminal means that Jaba residents can reach Terreiro do Paço by boat in just 15 minutes.
