Property Description

Quinta dos Casais is a plot of land located in Alfeizerão, an 8-minute drive from São Martinho do Porto Beach.

The land has an approved Prior Information Request (PIP) for a total construction of 19,369 m² of gross building area.

The approved Prior Information Request provides for the construction of a gated community comprising 4 multi-family residential blocks with 61 apartments and 32 villas, totaling 18,435 m².

The same PIP includes the construction of a block outside the gated community with 4 apartments and 2 commercial spaces, totaling 933 m². • Approved PIP for a project with 19,369 m² of gross building area; • 18,435 m² gated community and an external block of 933 m²; • 97 residential units and 2 commercial spaces.

The asset is located in Alfeizerão, an 8-minute drive from São Martinho do Porto Beach and a 5-minute drive from the A8 motorway entrance, the highway that connects the city of Lisbon, via the west coast, to the city of Porto.
