Property Description

Perched on the top floor of The Residences at Victoria, this impeccably maintained apartment offers a quiet vantage point over one of Vilamoura's most distinguished resort settings. Designed with an emphasis on fluid indoor-outdoor living, the residence captures morning and late-afternoon sunlight, framing direct views across a central paved piazza and main pool toward the fairways of the Victoria Golf Course beyond.

Inside, the heart of the home is a light-filled open-plan living and dining space, anchored by glass sliding doors that open to a private main terrace. Adjacent, the modern kitchen pairs cream-toned cabinetry with natural beige stone countertops, integrated appliances, and a pass-through hatch to the dining area. A dedicated laundry room houses a washer/dryer and a solar-powered water heating system.

The accommodation comprises two double bedrooms, highlighted by a master suite with fitted wardrobes, large west-facing picture windows, and private access to an additional terrace. Its en-suite bathroom is appointed with mosaic tilework, a bath with overhead shower, a bidet, and a heated towel rail. The second bedroom features built-in storage and is served by a second bathroom with a walk-in shower.

Modern comforts include climate-controlled heating and cooling units throughout, electric shutters, and underfloor heating in both bathrooms. The property includes two dedicated parking spaces in a secure underground garage along with a private storage room. Residents enjoy access to resort amenities, including an indoor heated pool, an expansive outdoor swimming pool with a poolside bar, a fitness center, and on-site dining situated around the central piazza.
