Property Description

Positioned to capture the golden hour over the manicured fairways of the Els Golf Course, this second-floor sanctuary offers an effortless blend of tranquility and resort elegance within the sought-after enclave of The Residences at Victoria.

The two-bedroom, two-bathroom apartment benefits from an ideal western orientation, bathing its interiors in warm afternoon light. Outside, views sweep over soft, green lawns toward the rolling course beyond. Located just steps from the pool, the home offers a sense of privacy while remaining intimately connected to the community's vibrant lifestyle amenities.

Life here unfolds against the backdrop of expansive, mature gardens. The resort's extensive offerings cater to every season: a heated indoor pool provides year-round respite, while a grand outdoor pool—encircled by a generous sunbathing deck—invites long, unhurried afternoons in the sun. At the center of it all lies the social heart of the estate: a classic central piazza complete with a bar and restaurant, alongside a dedicated fitness room for daily wellness.
