Property Description

Quinta Essência

A landmark luxury equestrian estate with panoramic sea views

Serrabodes, Mexilhoeira Grande | Western Algarve, Portugal

Nestled among the tranquil rolling hills of the Western Algarve, Quinta Essência is an exceptional luxury equestrian estate occupying approximately 2.5 hectares of private land, with breathtaking panoramic countryside and sea views.

Originally constructed in 1992 using a robust steel-frame structure, the estate was comprehensively rebuilt to an exceptional standard between 2008 and 2009. It offers beautifully appointed accommodation designed for sophisticated family living, luxury entertaining and professional equestrian use.

The principal residence features generous open-plan reception areas, a bespoke chef's kitchen, a private office, a library and an impressive principal suite with a walk-in dressing room, an elegant en-suite bathroom and a private loft retreat.

Four independent guest apartments provide outstanding flexibility for family, staff, visiting guests or boutique hospitality, making the estate equally suited to use as an exclusive private residence or a luxury equestrian business.

Purpose-built for serious equestrian enthusiasts, the estate can accommodate up to 20 horses. Its facilities include three stable blocks with 12 spacious loose boxes, a professional riding arena, a tack room, a workshop, paddocks and extensive grazing land.

An impressive 11-metre swimming pool, expansive terraces and beautifully landscaped gardens enjoy uninterrupted views across the Algarve countryside towards the Atlantic Ocean.

Additional features include a fully licensed borehole, irrigation canal, industrial backup generator, extensive storage, covered parking and infrastructure prepared for the future installation of photovoltaic solar panels.

Combining luxurious accommodation, complete privacy, professional equestrian facilities and panoramic sea views, Quinta Essência is one of the Algarve's most distinctive country estates and an outstanding opportunity for discerning international buyers seeking a truly unique lifestyle property.
