Property Description

Set within the sought-after residential enclave of Varandas do Lago, this elegant four-bedroom villa occupies a prime position in the heart of the Algarve's prestigious Golden Triangle, between Quinta do Lago and Vale do Lobo.

Set on a 605m² plot with a desirable south-facing orientation, the property offers generous accommodation arranged across three floors, combining bright, spacious interiors with private outdoor areas designed to make the most of the Algarve climate.

The main living spaces are filled with natural light and offer a comfortable sense of space, with an easy connection to the terraces and gardens beyond. The villa comprises four well-proportioned bedrooms, providing ample accommodation for family and guests, whether as a permanent residence or holiday home.

Outside, the private swimming pool sits at the heart of the landscaped garden, complemented by sunny terraces and areas for outdoor dining and relaxation. The south-facing aspect allows the exterior spaces to enjoy excellent sunlight throughout the day, while the established residential setting provides a welcome sense of privacy and tranquillity.

A substantial basement adds considerable versatility to the property, providing valuable additional space that can be adapted for storage, leisure or other uses according to the requirements of the new owner.

Varandas do Lago is particularly well positioned for enjoying the best of the central Algarve. The beaches of Ancão and Garrão are within easy reach, while the championship golf courses, restaurants, sports facilities and amenities of Quinta do Lago and Vale do Lobo are just a short drive away.

Combining a private pool, generous outdoor space, south-facing orientation and an excellent location between two of the Algarve's most established luxury resorts, this is a highly appealing property for year-round living, holidays or investment.
