Property Description

3-bedroom apartment with 171 m² of gross private area and a 16 m² balcony, with sea views, garage for three vehicles and storage room, located in the distinguished Galardi development, at the highest point of Monte Estoril, in Cascais.

This elegant apartment is part of a building of original design by acclaimed architect Raul Lino, whose iconic architecture has been carefully preserved and reinterpreted in a contemporary language.

Conceived to maximise the relationship between interior and exterior spaces, the apartment is harmoniously laid out.

The entrance hall leads to a bright living room with views over the entire coastline, from Cascais to Lisbon, whilst the kitchen and utility room are fully equipped with premium appliances.

The apartment features a guest bathroom and three suites clad in fine timber and natural stone, including a master suite, all with access to a shared terrace bathed in natural light.

An integrated climate control system, underfloor heating and state-of-the-art home automation ensure impeccable comfort throughout every season.

The Galardi condominium offers an exclusive portfolio of amenities, including a private spa with a heated pool, massage area, sauna and steam room, complemented by a gym equipped with the latest fitness technology.

Outside, landscaped gardens frame a heated swimming pool.

The privileged position at the highest point of Monte Estoril affords unobstructed sea views, surrounded by the serenity and discretion that have historically made this area the preferred retreat of royalty and international aristocracy during the summer season.

The building benefits from concierge and security services available 24 hours a day, ensuring a personalised and private living experience.

Three covered garage parking spaces with direct access to the apartment and a storage room are included.

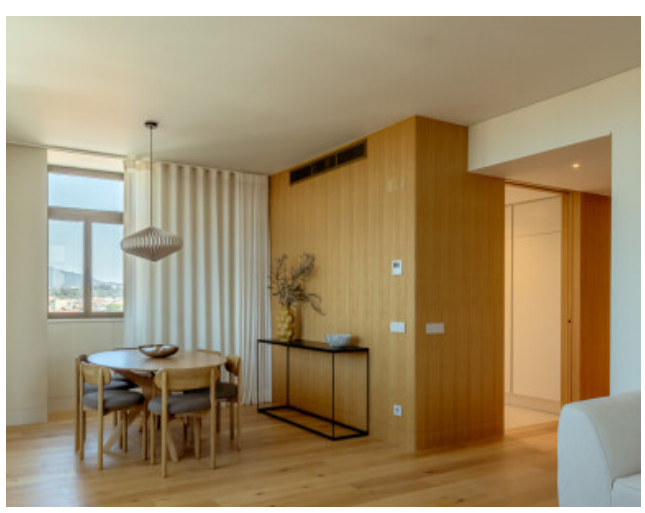

The prime location on Monte Estoril places residents within walking distance of the area's beaches and the Casino Estoril, 3 minutes' drive from the Deutsche Schule Lissabon (German School of Lisbon – Estoril Campus), the prestigious Estoril Golf Club and the A5 motorway, and 6 minutes' drive from the historic centre of Cascais and its exclusive international marina.

King's College School Cascais is 10 minutes' drive away. CAISL (Carlucci American International School of Lisbon), TASIS (The American School in Portugal), Saint Dominic's International School and St Julian's School in Carcavelos are all within 14 minutes' drive.

The UNESCO World Heritage centre of Sintra is 20 minutes away, with Lisbon International Airport and the heart of the capital reachable in 30 minutes.
