Property Description

Just five minutes' walk from Vilamoura Marina, this exceptional four-suite penthouse combines generous interiors with an extraordinary 320 m² private terrace, creating a rare indoor-outdoor lifestyle in one of the Algarve's most sought-after locations.

The centrepiece of the property is undoubtedly its vast terrace. With open sea views, a private swimming pool and approximately 70 m² of bioclimatic pergolas, the outdoor space has been carefully designed as a genuine extension of the home.

Distinct areas for dining, entertaining and relaxing include a barbecue and outdoor dining area, an elegant lounge and a dedicated poolside sunbathing zone. The bioclimatic pergolas provide shade and shelter when required, allowing the terrace to be enjoyed comfortably throughout much of the year.

Inside, the penthouse offers four beautifully appointed en-suite bedrooms, providing excellent privacy for both residents and guests. The spacious living and dining area is filled with natural light and opens directly onto the terrace, connecting the interior with the sea views and expansive outdoor spaces.

A contemporary, fully equipped kitchen combines clean design with everyday practicality, while a separate guest bathroom completes the accommodation.

High-quality finishes and a strong attention to detail are evident throughout, creating a home that feels refined without compromising on comfort or functionality.

The location is equally compelling. Vilamoura Marina, beaches, restaurants, cafés, shops and everyday amenities are all within easy reach, while the area's renowned golf courses are only a short drive away.

With four suites, a private pool, sea views and 320 m² of private outdoor space within walking distance of the Marina, this is a particularly rare offering in Vilamoura, equally suited to a permanent residence, exceptional holiday home or high-quality property investment.
