Property Description

6-bedroom villa with 481sqm of gross area, with ocean view, swimming pool, garden and garage, set on a 3,920sqm plot in Azoia, Colares, Sintra.

The property has been completely renovated with high-quality finishes and offers direct views of the Atlantic Ocean.

The home is distributed across two floors, where the upper level is dedicated exclusively to a master suite with complete privacy, walk-in closet, and panoramic ocean views.

Four additional suites and the entire social area occupy the entrance level, providing the practicality and convenience of single-floor living.

The social area includes living rooms with fireplace and dining room connected to terraces with frontal ocean views, plus a fully equipped kitchen with SMEG appliances.

The lower level features another guest suite with independent entrance that can easily be converted into a very private studio.

In the outdoor area, the property has a private swimming pool, changing rooms, and a large gourmet barbecue area.

The technical infrastructure includes underfloor heating and air conditioning systems in all rooms.

Parking consists of an enclosed garage for two vehicles, additional outdoor parking, and three fast-charging points for electric vehicles.

The property benefits from a privileged geographic location that combines the tranquility of nature with urban proximity, situated just minutes from iconic beaches such as Guincho and Adraga, only 20 minutes from the historic center of Cascais, and 35 minutes from Lisbon.
