Property Description

Never inhabited 3-bedroom duplex apartment with 187 sqm of gross private area, terrace and balcony totalling 46 sqm, two parking spaces, and storage room, at Nuance Alvalade, in Lisbon.

In the heart of Alvalade, one of Lisbon's most sought-after neighborhoods, where tranquility and centrality meet, Nuance is born—an innovative design project that promises to offer a high level of comfort and a true sense of well-being in every space.

Comprising two buildings connected by a communal garden, it features a total of 28 apartments with refined architecture and unobstructed views, providing great flexibility to the spaces, which open through balconies and French windows to the city and to the inviting garden of this condominium.

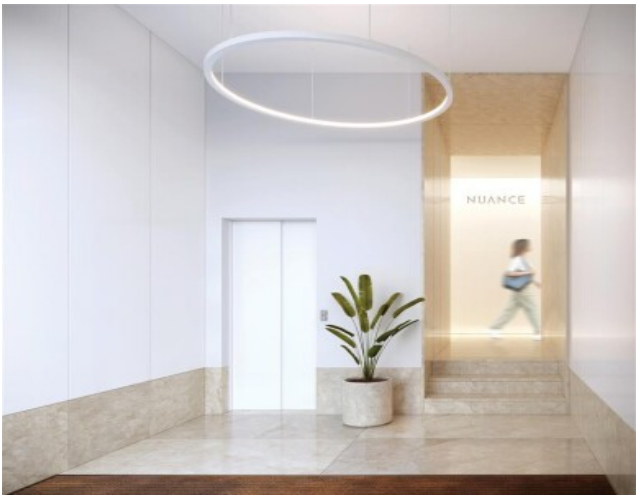

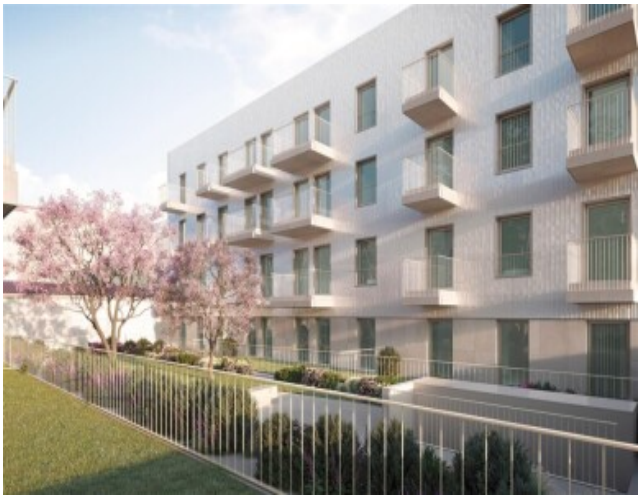

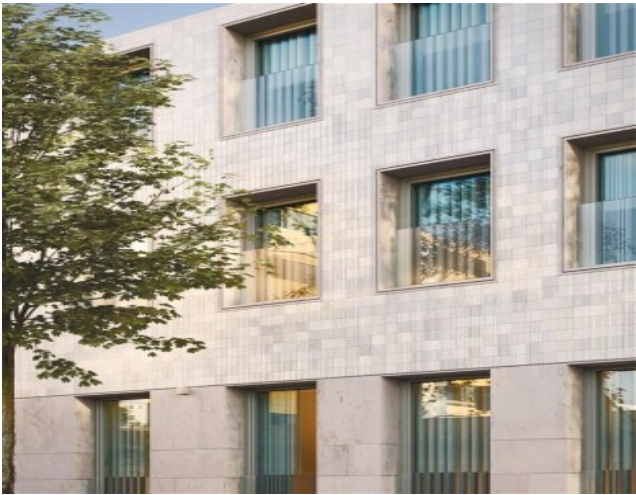

With an extensive public transport network, neighboring the university campus, and just steps from Campo Pequeno and Avenidas Novas, this is a highly sought-after area that features on the list of the city's most prestigious neighborhoods.

Nuance promises the perfect balance between the advantages of living in central Lisbon and the well-being and tranquility you can expect when arriving home.

With an incomparable neighborhood lifestyle, Alvalade is the perfect location for those who want to combine a modern lifestyle with a neighborhood rich in history and many stories to tell.

This is a position assignment.
